

## Certificate of Analysis

### Compound Information

|                            |                                                  |
|----------------------------|--------------------------------------------------|
| <b>Product Name:</b>       | Sodium benzenesulfinate dihydrate                |
| <b>Cat. No.:</b>           | 1027606                                          |
| <b>CAS No.:</b>            | 25932-11-0                                       |
| <b>Molecular Formula:</b>  | C <sub>6</sub> H <sub>9</sub> NaO <sub>4</sub> S |
| <b>Molecular Weight:</b>   | 200.19                                           |
| <b>Chemical Structure:</b> |                                                  |

### Batch Information

|                     |                                              |
|---------------------|----------------------------------------------|
| <b>Batch No.:</b>   | L381821                                      |
| <b>Storage:</b>     | Store at room temperature, keep dry and cool |
| <b>Test Date:</b>   | 2024-03-22                                   |
| <b>Retest Date:</b> | 2027-03-21                                   |
| <b>Origin:</b>      | Shanghai, China                              |

### QC Summary

|                                    |                                                                         |
|------------------------------------|-------------------------------------------------------------------------|
| <b>Appearance:</b>                 | White to off-white (Solid)                                              |
| <b><sup>1</sup>H NMR Spectrum:</b> | Consistent with structure                                               |
| <b>Purity (NMR):</b>               | ≥98.0%                                                                  |
| <b>Water(KF):</b>                  | 0.24%                                                                   |
| <b>Conclusion:</b>                 | The product has been tested and complies with the given specifications. |
