### Compound Information

|                            |                                                |
|----------------------------|------------------------------------------------|
| <b>Product Name:</b>       | Xanthurenic acid                               |
| <b>Cat. No.:</b>           | 1036833                                        |
| <b>CAS No.:</b>            | 59-00-7                                        |
| <b>Molecular Formula:</b>  | C <sub>10</sub> H <sub>7</sub> NO <sub>4</sub> |
| <b>Molecular Weight:</b>   | 205.17                                         |
| <b>Chemical Structure:</b> |                                                |

### Batch Information

|                     |                     |
|---------------------|---------------------|
| <b>Batch No.:</b>   | Lf1112181859        |
| <b>Storage:</b>     | Storage temp. 2-8°C |
| <b>Test Date:</b>   | 2022-06-20          |
| <b>Retest Date:</b> | 2025-06-19          |
| <b>Origin:</b>      | Shanghai, China     |

### QC Summary

|                                    |                                                                         |
|------------------------------------|-------------------------------------------------------------------------|
| <b>Appearance:</b>                 | Light yellow to brown (Solid)                                           |
| <b><sup>1</sup>H NMR Spectrum:</b> | Consistent with structure                                               |
| <b>LCMS:</b>                       | Consistent with structure                                               |
| <b>Purity (LCMS):</b>              | 99.94%                                                                  |
| <b>Conclusion:</b>                 | The product has been tested and complies with the given specifications. |
