

## Certificate of Analysis

### Compound Information

|                            |                                                                                   |
|----------------------------|-----------------------------------------------------------------------------------|
| <b>Product Name:</b>       | Boc-D-Thr(Bzl)-OH                                                                 |
| <b>Cat. No.:</b>           | 1040111                                                                           |
| <b>CAS No.:</b>            | 69355-99-3                                                                        |
| <b>Molecular Formula:</b>  | C <sub>16</sub> H <sub>23</sub> NO <sub>5</sub>                                   |
| <b>Molecular Weight:</b>   | 309.36                                                                            |
| <b>Chemical Structure:</b> |  |

### Batch Information

|                     |                     |
|---------------------|---------------------|
| <b>Batch No.:</b>   | Lg0313212001        |
| <b>Storage:</b>     | Storage temp. 2-8°C |
| <b>Test Date:</b>   | 2023-03-13          |
| <b>Retest Date:</b> | 2026-03-12          |
| <b>Origin:</b>      | Shanghai, China     |

### QC Summary

|                                    |                                                                         |
|------------------------------------|-------------------------------------------------------------------------|
| <b>Appearance:</b>                 | White to off-white (Solid)                                              |
| <b><sup>1</sup>H NMR Spectrum:</b> | Consistent with structure                                               |
| <b>Purity (NMR):</b>               | ≥98.0%                                                                  |
| <b>Optical Rotation:</b>           | -20.2° (C=1.00 g/100ml ETOH)                                            |
| <b>Conclusion:</b>                 | The product has been tested and complies with the given specifications. |
