

## Certificate of Analysis

### Compound Information

|                            |                                                                                   |
|----------------------------|-----------------------------------------------------------------------------------|
| <b>Product Name:</b>       | 1,5-Dihydro-4H-pyrrolo[3,2-d]pyrimidin-4-one                                      |
| <b>Cat. No.:</b>           | 1049212                                                                           |
| <b>CAS No.:</b>            | 5655-01-6                                                                         |
| <b>Molecular Formula:</b>  | C <sub>6</sub> H <sub>5</sub> N <sub>3</sub> O                                    |
| <b>Molecular Weight:</b>   | 135.12                                                                            |
| <b>Chemical Structure:</b> |  |

### Batch Information

|                     |                     |
|---------------------|---------------------|
| <b>Batch No.:</b>   | Lc1213050           |
| <b>Storage:</b>     | Storage temp. 2-8°C |
| <b>Mfg. Date:</b>   | 2018-09-09          |
| <b>Retest Date:</b> | 2021-09-08          |
| <b>Origin:</b>      | Shanghai, China     |

### QC Summary

|                                    |                                                                         |
|------------------------------------|-------------------------------------------------------------------------|
| <b>Appearance:</b>                 | Light brown to brown (Solid)                                            |
| <b><sup>1</sup>H NMR Spectrum:</b> | Consistent with structure                                               |
| <b>Purity (NMR):</b>               | ≥98.0%                                                                  |
| <b>Conclusion:</b>                 | The product has been tested and complies with the given specifications. |
