

## Certificate of Analysis

### Compound Information

|                     |                                                         |
|---------------------|---------------------------------------------------------|
| Product Name:       | 3-(1-(tert-Butoxycarbonyl)piperidin-4-yl)propanoic acid |
| Cat. No.:           | 1051204                                                 |
| CAS No.:            | 154775-43-6                                             |
| Molecular Formula:  | C <sub>13</sub> H <sub>23</sub> NO <sub>4</sub>         |
| Molecular Weight:   | 257.33                                                  |
| Chemical Structure: |                                                         |

### Batch Information

|              |                           |
|--------------|---------------------------|
| Batch No.:   | Ld112724302               |
| Storage:     | Store at room temperature |
| Test Date:   | 2020-11-27                |
| Retest Date: | 2025-11-26                |
| Origin:      | Shanghai, China           |

### QC Summary

|                              |                                                                         |
|------------------------------|-------------------------------------------------------------------------|
| Appearance:                  | White to off-white (Solid)                                              |
| <sup>1</sup> H NMR Spectrum: | Consistent with structure                                               |
| Purity (NMR):                | ≥97.0%                                                                  |
| Conclusion:                  | The product has been tested and complies with the given specifications. |
