

## Certificate of Analysis

### Compound Information

|                     |                                                |
|---------------------|------------------------------------------------|
| Product Name:       | 3-Benzoylpropionic acid                        |
| Cat. No.:           | 1051663                                        |
| CAS No.:            | 2051-95-8                                      |
| Molecular Formula:  | C <sub>10</sub> H <sub>10</sub> O <sub>3</sub> |
| Molecular Weight:   | 178.18                                         |
| Chemical Structure: |                                                |

### Batch Information

|              |                           |
|--------------|---------------------------|
| Batch No.:   | Lf0720147859              |
| Storage:     | Store at room temperature |
| Test Date:   | 2022-07-20                |
| Retest Date: | 2027-07-19                |
| Origin:      | Shanghai, China           |

### QC Summary

|                              |                                                                         |
|------------------------------|-------------------------------------------------------------------------|
| Appearance:                  | White to light yellow (Solid)                                           |
| <sup>1</sup> H NMR Spectrum: | Consistent with structure                                               |
| Purity (HPLC):               | 98.72%                                                                  |
| Water(KF):                   | 0.38%                                                                   |
| Conclusion:                  | The product has been tested and complies with the given specifications. |
