

## Certificate of Analysis

### Compound Information

|                            |                                                |
|----------------------------|------------------------------------------------|
| <b>Product Name:</b>       | Methyl 1H-indole-5-carboxylate                 |
| <b>Cat. No.:</b>           | 1051876                                        |
| <b>CAS No.:</b>            | 1011-65-0                                      |
| <b>Molecular Formula:</b>  | C <sub>10</sub> H <sub>9</sub> NO <sub>2</sub> |
| <b>Molecular Weight:</b>   | 175.18                                         |
| <b>Chemical Structure:</b> |                                                |

### Batch Information

|                     |                           |
|---------------------|---------------------------|
| <b>Batch No.:</b>   | Lc1204048                 |
| <b>Storage:</b>     | Store at room temperature |
| <b>Mfg. Date:</b>   | 2019-02-19                |
| <b>Retest Date:</b> | 2024-02-18                |
| <b>Origin:</b>      | Shanghai, China           |

### QC Summary

|                                    |                                                                         |
|------------------------------------|-------------------------------------------------------------------------|
| <b>Appearance:</b>                 | White to light yellow (Solid)                                           |
| <b><sup>1</sup>H NMR Spectrum:</b> | Consistent with structure                                               |
| <b>Purity (HPLC):</b>              | 99.07%                                                                  |
| <b>Conclusion:</b>                 | The product has been tested and complies with the given specifications. |
