

## Certificate of Analysis

### Compound Information

|                     |                                  |
|---------------------|----------------------------------|
| Product Name:       | 3-Iodotetrahydrofuran            |
| Cat. No.:           | 1053332                          |
| CAS No.:            | 121138-01-0                      |
| Molecular Formula:  | C <sub>4</sub> H <sub>7</sub> IO |
| Molecular Weight:   | 198.003                          |
| Chemical Structure: |                                  |

### Batch Information

|              |                           |
|--------------|---------------------------|
| Batch No.:   | Ld060204282               |
| Storage:     | 2-8°C, protect from light |
| Test Date:   | 2019-01-13                |
| Retest Date: | 2022-01-12                |
| Origin:      | Shanghai, China           |

### QC Summary

|                              |                                                                         |
|------------------------------|-------------------------------------------------------------------------|
| Appearance:                  | Colorless to light yellow (Liquid)                                      |
| <sup>1</sup> H NMR Spectrum: | Consistent with structure                                               |
| Purity (GC):                 | 97.29%                                                                  |
| Conclusion:                  | The product has been tested and complies with the given specifications. |
