

## Certificate of Analysis

### Compound Information

|                     |                                              |
|---------------------|----------------------------------------------|
| Product Name:       | 3-Formyl-2-hydroxybenzoic acid               |
| Cat. No.:           | 1067253                                      |
| CAS No.:            | 610-04-8                                     |
| Molecular Formula:  | C <sub>8</sub> H <sub>6</sub> O <sub>4</sub> |
| Molecular Weight:   | 166.13                                       |
| Chemical Structure: |                                              |

### Batch Information

|              |                     |
|--------------|---------------------|
| Batch No.:   | Le0922100295        |
| Storage:     | Storage temp. 2-8°C |
| Test Date:   | 2017-12-07          |
| Retest Date: | 2022-12-06          |
| Origin:      | Shanghai, China     |

### QC Summary

|                              |                                                                         |
|------------------------------|-------------------------------------------------------------------------|
| Appearance:                  | Off-white to yellow (Solid)                                             |
| <sup>1</sup> H NMR Spectrum: | Consistent with structure                                               |
| LCMS:                        | Consistent with structure                                               |
| Purity (LCMS):               | 95.75%                                                                  |
| Conclusion:                  | The product has been tested and complies with the given specifications. |
