

## Certificate of Analysis

### Compound Information

|                            |                                    |
|----------------------------|------------------------------------|
| <b>Product Name:</b>       | (2-Bromo-5-iodophenyl)methanol     |
| <b>Cat. No.:</b>           | 1067484                            |
| <b>CAS No.:</b>            | 946525-30-0                        |
| <b>Molecular Formula:</b>  | C <sub>7</sub> H <sub>6</sub> BrIO |
| <b>Molecular Weight:</b>   | 312.93                             |
| <b>Chemical Structure:</b> |                                    |

### Batch Information

|                     |                           |
|---------------------|---------------------------|
| <b>Batch No.:</b>   | Lf0721147940              |
| <b>Storage:</b>     | 2-8°C, protect from light |
| <b>Test Date:</b>   | 2022-07-21                |
| <b>Retest Date:</b> | 2025-07-20                |
| <b>Origin:</b>      | Shanghai, China           |

### QC Summary

|                                    |                                                                         |
|------------------------------------|-------------------------------------------------------------------------|
| <b>Appearance:</b>                 | White to light yellow (Solid)                                           |
| <b><sup>1</sup>H NMR Spectrum:</b> | Consistent with structure                                               |
| <b>Purity (NMR):</b>               | ≥98.0%                                                                  |
| <b>Water(KF):</b>                  | 0.05%                                                                   |
| <b>Conclusion:</b>                 | The product has been tested and complies with the given specifications. |
