

## Certificate of Analysis

### Compound Information

|                     |                                                |
|---------------------|------------------------------------------------|
| Product Name:       | 5-Bromo-6-methylpyrimidin-4-amine              |
| Cat. No.:           | 1113505                                        |
| CAS No.:            | 7752-48-9                                      |
| Molecular Formula:  | C <sub>5</sub> H <sub>6</sub> BrN <sub>3</sub> |
| Molecular Weight:   | 188.03                                         |
| Chemical Structure: |                                                |

### Batch Information

|              |                           |
|--------------|---------------------------|
| Batch No.:   | Lg0505244398              |
| Storage:     | 2-8°C, protect from light |
| Test Date:   | 2023-05-05                |
| Retest Date: | 2026-05-04                |
| Origin:      | Shanghai, China           |

### QC Summary

|                              |                                                                         |
|------------------------------|-------------------------------------------------------------------------|
| Appearance:                  | Off-white to light brown (Solid)                                        |
| <sup>1</sup> H NMR Spectrum: | Consistent with structure                                               |
| LCMS:                        | Consistent with structure                                               |
| Purity (NMR):                | ≥95.0%                                                                  |
| Conclusion:                  | The product has been tested and complies with the given specifications. |
