

## Certificate of Analysis

### Compound Information

|                            |                                                                         |
|----------------------------|-------------------------------------------------------------------------|
| <b>Product Name:</b>       | 5-Cyclopropyl-3-(2-(trifluoromethoxy)phenyl)isoxazole-4-carboxylic acid |
| <b>Cat. No.:</b>           | 1114805                                                                 |
| <b>CAS No.:</b>            | 2191433-23-3                                                            |
| <b>Molecular Formula:</b>  | C <sub>14</sub> H <sub>10</sub> F <sub>3</sub> NO <sub>4</sub>          |
| <b>Molecular Weight:</b>   | 313.23                                                                  |
| <b>Chemical Structure:</b> |                                                                         |

### Batch Information

|                     |                     |
|---------------------|---------------------|
| <b>Batch No.:</b>   | Lg0601255740        |
| <b>Storage:</b>     | Storage temp. 2-8°C |
| <b>Test Date:</b>   | 2018-01-10          |
| <b>Retest Date:</b> | 2021-01-09          |
| <b>Origin:</b>      | Shanghai, China     |

### QC Summary

|                                    |                                                                         |
|------------------------------------|-------------------------------------------------------------------------|
| <b>Appearance:</b>                 | Brown to reddish brown (Solid)                                          |
| <b><sup>1</sup>H NMR Spectrum:</b> | Consistent with structure                                               |
| <b>LCMS:</b>                       | Consistent with structure                                               |
| <b>Purity:</b>                     | 96.88%                                                                  |
| <b>Conclusion:</b>                 | The product has been tested and complies with the given specifications. |
