

## Certificate of Analysis

### Compound Information

|                            |                                                                                   |
|----------------------------|-----------------------------------------------------------------------------------|
| <b>Product Name:</b>       | 4-Amino-6-chloropyrimidin-5-ol                                                    |
| <b>Cat. No.:</b>           | 1116540                                                                           |
| <b>CAS No.:</b>            | 38953-42-3                                                                        |
| <b>Molecular Formula:</b>  | C <sub>4</sub> H <sub>4</sub> ClN <sub>3</sub> O                                  |
| <b>Molecular Weight:</b>   | 145.55                                                                            |
| <b>Chemical Structure:</b> |  |

### Batch Information

|                     |                                                     |
|---------------------|-----------------------------------------------------|
| <b>Batch No.:</b>   | Le042768918                                         |
| <b>Storage:</b>     | -20°C, sealed storage, away from moisture and light |
| <b>Test Date:</b>   | 2021-04-28                                          |
| <b>Retest Date:</b> | 2024-04-27                                          |
| <b>Origin:</b>      | Shanghai, China                                     |

### QC Summary

|                                    |                                                                         |
|------------------------------------|-------------------------------------------------------------------------|
| <b>Appearance:</b>                 | White to light brown (Solid)                                            |
| <b><sup>1</sup>H NMR Spectrum:</b> | Consistent with structure                                               |
| <b>Purity (HPLC):</b>              | 97.05%                                                                  |
| <b>Conclusion:</b>                 | The product has been tested and complies with the given specifications. |
