

## Certificate of Analysis

### Compound Information

|                            |                                                               |
|----------------------------|---------------------------------------------------------------|
| <b>Product Name:</b>       | 1-(4-Aminobutyl)guanidine dihydrochloride                     |
| <b>Cat. No.:</b>           | 1129603                                                       |
| <b>CAS No.:</b>            | 334-18-9                                                      |
| <b>Molecular Formula:</b>  | C <sub>5</sub> H <sub>16</sub> Cl <sub>2</sub> N <sub>4</sub> |
| <b>Molecular Weight:</b>   | 203.11                                                        |
| <b>Chemical Structure:</b> |                                                               |

### Batch Information

|                     |                           |
|---------------------|---------------------------|
| <b>Batch No.:</b>   | Le051470793               |
| <b>Storage:</b>     | Store at room temperature |
| <b>Test Date:</b>   | 2021-05-14                |
| <b>Retest Date:</b> | 2026-05-13                |
| <b>Origin:</b>      | Shanghai, China           |

### QC Summary

|                                    |                                                                         |
|------------------------------------|-------------------------------------------------------------------------|
| <b>Appearance:</b>                 | White to off-white (Solid)                                              |
| <b><sup>1</sup>H NMR Spectrum:</b> | Consistent with structure                                               |
| <b>MS:</b>                         | Consistent with structure                                               |
| <b>Purity (NMR):</b>               | ≥97.0%                                                                  |
| <b>Conclusion:</b>                 | The product has been tested and complies with the given specifications. |
