### Compound Information

|                            |                                                                                    |
|----------------------------|------------------------------------------------------------------------------------|
| <b>Product Name:</b>       | tert-Butyl 5-(4,4,5,5-tetramethyl-1,3,2-dioxaborolan-2-yl)-1H-indole-1-carboxylate |
| <b>Cat. No.:</b>           | 1162207                                                                            |
| <b>CAS No.:</b>            | 777061-36-6                                                                        |
| <b>Molecular Formula:</b>  | C <sub>19</sub> H <sub>26</sub> BNO <sub>4</sub>                                   |
| <b>Molecular Weight:</b>   | 343.23                                                                             |
| <b>Chemical Structure:</b> |                                                                                    |

### Batch Information

|                     |                           |
|---------------------|---------------------------|
| <b>Batch No.:</b>   | Lg0324227496              |
| <b>Storage:</b>     | Store at room temperature |
| <b>Test Date:</b>   | 2023-03-24                |
| <b>Retest Date:</b> | 2028-03-23                |
| <b>Origin:</b>      | Shanghai, China           |

### QC Summary

|                                    |                                                                         |
|------------------------------------|-------------------------------------------------------------------------|
| <b>Appearance:</b>                 | White to off-white (Solid)                                              |
| <b><sup>1</sup>H NMR Spectrum:</b> | Consistent with structure                                               |
| <b>Purity (HPLC):</b>              | 96.82%                                                                  |
| <b>Conclusion:</b>                 | The product has been tested and complies with the given specifications. |
