

## Certificate of Analysis

### Compound Information

|                     |                                                               |
|---------------------|---------------------------------------------------------------|
| Product Name:       | (DHQD)2AQN                                                    |
| Cat. No.:           | 1163953                                                       |
| CAS No.:            | 176298-44-5                                                   |
| Molecular Formula:  | C <sub>54</sub> H <sub>56</sub> N <sub>4</sub> O <sub>6</sub> |
| Molecular Weight:   | 857.05                                                        |
| Chemical Structure: |                                                               |

### Batch Information

|              |                                                  |
|--------------|--------------------------------------------------|
| Batch No.:   | Le061576001                                      |
| Storage:     | 2-8°C, protect from light, stored under nitrogen |
| Test Date:   | 2021-06-15                                       |
| Retest Date: | 2024-06-14                                       |
| Origin:      | Shanghai, China                                  |

### QC Summary

|                              |                                                                         |
|------------------------------|-------------------------------------------------------------------------|
| Appearance:                  | Light yellow to yellow (Solid)                                          |
| <sup>1</sup> H NMR Spectrum: | Consistent with structure                                               |
| Purity (NMR):                | ≥97.0%                                                                  |
| Conclusion:                  | The product has been tested and complies with the given specifications. |
