

## Certificate of Analysis

### Compound Information

|                            |                                      |
|----------------------------|--------------------------------------|
| <b>Product Name:</b>       | Sodium Metaphosphate                 |
| <b>Cat. No.:</b>           | 1214833                              |
| <b>CAS No.:</b>            | 10124-56-8                           |
| <b>Molecular Formula:</b>  | $\text{Na}_6\text{O}_{18}\text{P}_6$ |
| <b>Molecular Weight:</b>   | 611.77                               |
| <b>Chemical Structure:</b> |                                      |

### Batch Information

|                     |                                              |
|---------------------|----------------------------------------------|
| <b>Batch No.:</b>   | Ld122426925                                  |
| <b>Storage:</b>     | Store at room temperature, keep dry and cool |
| <b>Mfg. Date:</b>   | 2020-12-24                                   |
| <b>Retest Date:</b> | 2023-12-23                                   |
| <b>Origin:</b>      | Shanghai, China                              |

### QC Summary

|                    |                                                                         |
|--------------------|-------------------------------------------------------------------------|
| <b>Appearance:</b> | White to off-white (Solid)                                              |
| <b>Purity:</b>     | ≥97.0%                                                                  |
| <b>Conclusion:</b> | The product has been tested and complies with the given specifications. |
