

## Certificate of Analysis

### Compound Information

|                            |                                                              |
|----------------------------|--------------------------------------------------------------|
| <b>Product Name:</b>       | 4-Fluoro-5-formyl-2-methylphenylboronic acid                 |
| <b>Cat. No.:</b>           | 1248796                                                      |
| <b>CAS No.:</b>            | 2377606-69-2                                                 |
| <b>Molecular Formula:</b>  | C <sub>8</sub> H <sub>8</sub> BF <sub>3</sub> O <sub>3</sub> |
| <b>Molecular Weight:</b>   | 181.96                                                       |
| <b>Chemical Structure:</b> |                                                              |

### Batch Information

|                     |                              |
|---------------------|------------------------------|
| <b>Batch No.:</b>   | Lg0617263937                 |
| <b>Storage:</b>     | 2-8°C, stored under nitrogen |
| <b>Test Date:</b>   | 2023-06-17                   |
| <b>Retest Date:</b> | 2026-06-16                   |
| <b>Origin:</b>      | Shanghai, China              |

### QC Summary

|                                    |                                                                         |
|------------------------------------|-------------------------------------------------------------------------|
| <b>Appearance:</b>                 | White to off-white (Solid)                                              |
| <b><sup>1</sup>H NMR Spectrum:</b> | Consistent with structure                                               |
| <b>LCMS:</b>                       | Consistent with structure                                               |
| <b>Purity (NMR):</b>               | ≥97.0%                                                                  |
| <b>Conclusion:</b>                 | The product has been tested and complies with the given specifications. |
