

## Certificate of Analysis

### Compound Information

|                            |                                                 |
|----------------------------|-------------------------------------------------|
| <b>Product Name:</b>       | Methyl acridine-9-carboxylate                   |
| <b>Cat. No.:</b>           | 1599281                                         |
| <b>CAS No.:</b>            | 5132-81-0                                       |
| <b>Molecular Formula:</b>  | C <sub>15</sub> H <sub>11</sub> NO <sub>2</sub> |
| <b>Molecular Weight:</b>   | 237.25                                          |
| <b>Chemical Structure:</b> |                                                 |

### Batch Information

|                     |                     |
|---------------------|---------------------|
| <b>Batch No.:</b>   | Lf0926171143        |
| <b>Storage:</b>     | Storage temp. 2-8°C |
| <b>Mfg. Date:</b>   | 2022-09-27          |
| <b>Retest Date:</b> | 2025-09-26          |
| <b>Origin:</b>      | Shanghai, China     |

### QC Summary

|                                    |                                                                         |
|------------------------------------|-------------------------------------------------------------------------|
| <b>Appearance:</b>                 | Light yellow to yellow (Solid)                                          |
| <b><sup>1</sup>H NMR Spectrum:</b> | Consistent with structure                                               |
| <b>Purity (HPLC):</b>              | 99.82%                                                                  |
| <b>Conclusion:</b>                 | The product has been tested and complies with the given specifications. |
