

## Certificate of Analysis

### Compound Information

|                            |                                                  |
|----------------------------|--------------------------------------------------|
| <b>Product Name:</b>       | 4-Bromo-3-fluoro-2-iodobenzoic acid              |
| <b>Cat. No.:</b>           | 1661004                                          |
| <b>CAS No.:</b>            | 1823316-00-2                                     |
| <b>Molecular Formula:</b>  | C <sub>7</sub> H <sub>3</sub> BrFIO <sub>2</sub> |
| <b>Molecular Weight:</b>   | 344.90                                           |
| <b>Chemical Structure:</b> |                                                  |

### Batch Information

|                     |                           |
|---------------------|---------------------------|
| <b>Batch No.:</b>   | Lg0727287174              |
| <b>Storage:</b>     | 2-8°C, protect from light |
| <b>Test Date:</b>   | 2023-07-27                |
| <b>Retest Date:</b> | 2026-07-26                |
| <b>Origin:</b>      | Shanghai, China           |

### QC Summary

|                                    |                                                                         |
|------------------------------------|-------------------------------------------------------------------------|
| <b>Appearance:</b>                 | Off-white to light yellow (Solid)                                       |
| <b><sup>1</sup>H NMR Spectrum:</b> | Consistent with structure                                               |
| <b>MS:</b>                         | Consistent with structure                                               |
| <b>Purity (NMR):</b>               | ≥95.0%                                                                  |
| <b>Conclusion:</b>                 | The product has been tested and complies with the given specifications. |
